Well, I'm goin', I'm goin' Goin' on a downhill
slide. I'm goin', I'm goin' Goin' on a downhill
slide. Things feel so easy I'm never gonna change my
mind. I'm goin', I'm goin', I'm goin'. Well, ride
me babe Hang on to my hat Ride me babe Hang on to my
hat I'll howl like a wolf Scream like an alley cat. I'm
goin', I'm goin', I'm goin'. Don't wanna change
my mind. Don't wanna reel it in. Don't wanna stop this
slidin' honey That's the shape I'm in. I'm goin',
I'm goin' on a downhill slide. Things feels so
easy I'm never gonna change my mind. I'm goin',
I'm goin', I'm goin'. Goin', goin', goin',
goin', goin'. I'm goin' on a downhill slide. Watch
me now, watch me now. Goin', goin', goin', goin',
goin'.
