There's colors on the street  
Red, white and blue  
People shufflin' their feet  
People sleepin' in their shoes

But there's a warnin' sign  
On the road ahead  
There's a lot of people sayin'  
We'd be better off dead

Don't feel like Satan  
But I am to them  
So I try to forget it  
Anyway I can

Keep on rockin' in the free world  
Keep on rockin' in the free world  
Keep on rockin' in the free world  
Keep on rockin' in the free world

I see a woman in the night  
With a baby in her hand  
Under an old street light  
Near a garbage can

Now she puts the kid away  
And she's gone to get a hit  
She hates her life  
And what she's done to it

There's one more kid  
That will never go to school  
Never get to fall in love  
Never get to be cool

Keep on rockin' in the free world  
Keep on rockin' in the free world  
Keep on rockin' in the free world  
Keep on rockin' in the free world

We got a thousand points of light  
For the homeless man

We got a kinder, gentler  
Machine gun hand

We got department stores  
And toilet paper  
Got Styrofoam boxes  
For the ozone layer

Got a man of the people  
Says keep hope alive  
Got fuel to burn  
Got roads to drive

Keep on rockin' in the free world  
Keep on rockin' in the free world  
Keep on rockin' in the free world  
Keep on rockin' in the free world
