Live to ride,  
ride my dream machine  
Good conditions  
sometime are extreme  
Running from the daily grind  
He was, he was a friend of mine  
Gonna take a long, long time  
But the stain will fade away  
Running from the daily grind  
He was, he was a friend of mine.

Live to ride,  
ride in the lonesome wind  
Cross the line,  
you can't come back again

Never let a dream machine  
Gather dust in your garage  
Gonna take a long, long time  
But the stain will fade away  
Running from the daily grind  
He was, he was a friend of mine.

Gonna take a long, long time  
But the stain will fade away  
Running from the daily grind  
He was, he was a friend of mine.

Live to ride,  
ride my dream machine.
