It's gonna take a lotta love  
To change the way things are.  
It's gonna take a lotta love  
Or we won't get too far.

So if you look in my direction  
And we don't see eye to eye,  
My heart needs protection  
And so do I.

It's gonna take a lotta love  
To get us thru the night.  
It's gonna take a lotta love  
To make things work out right.

So if you are out there waitin'

I hope you show up soon,  
'Cause my heart needs relatin'  
Not solitude.

Gotta lotta love  
Gotta lotta love.

It's gonna take a lotta love  
To change the way things are.  
It's gonna take a lotta love  
Or we won't get too far.

It's gonna take a lotta love  
To change the way things are.  
It's gonna take a lotta love  
Or we won't get too far.
