I was lonesome as I could be  
And a bad kind of tired  
'Til I saw you look at me  
Where there's smoke there's fire  
All of my troubles disappeared  
When I watched you move  
Girl, your body said everything  
And I know you knew

I wanna make love to you, oh yeah  
Make you feel all right  
I wanna make love to you, oh yeah  
Yes, it'll take all night

In a smoke-filled bar in a Southern town  
I met somebody special  
I wish I could stick around  
And I don't mind so much, do you, baby?  
'Cause the time we had was such a rush  
And you're such a lady

I wanna make love to you, oh yeah said to you  
Make you feel all right  
I wanna make love to you, oh yeah  
Yes, it'll take all night

Girl when you looked my way  
I knew this night was ours  
It doesn't matter, I'll be gone with the dawn  
So will you, we choose, who we choose, when we  
choose

Nobody can take away the time we've had  
Each moment extra long  
It's quite a memory to have  
Don't you forget with the dawnin', I'll be gone  
And how we got together anyway  
Well, that's another song

I wanna make love to you, oh yes I do  
Make you feel all right  
I wanna make love to you, oh yeah

It'll take all night

I wanna make love to you  
Yeah, make you feel all right  
I wanna make love to you, yeah  
Yes, it'll take all night
