With the sea and the sand

Can I meet you there?

We'll be drinkin' bananas

From long tall glasses

In the open air.

Ocean girl

Come 'round the world

From forgotten shores.

There'll be music playin'

What no words could say

When you first get there.

We'll be lost in a corner

That we find in each other

There' so much to share.

Ocean girl

Come 'round the world

From forgotten shores.
