They were playing  
that old country waltz  
In this empty bar  
echoin' off the wall.  
When I first got the bad news  
that you set me free,  
The band played the  
old country waltz to me.

Well, I loved,  
and I lost, and I cried  
The day that  
the two of us died.  
Ain't got no excuses,  
I just want to ride  
While the band plays the  
old country waltz.

Out the window the moon shines

On the roofs of the cars  
While I knock down  
tequila and salt  
And the band plays the  
old country waltz.

And we're playin' it,  
that old country waltz  
In this empty bar  
echoin' off the wall.  
Ain't got no excuses,  
we just want to play  
That good old country waltz.

I ain't got no excuses,  
I just want to play  
That good old country waltz.  
That good old country waltz.
