When the dream came
i held my breath with my eyes closed
i went insane like a smokering day when the wind blows
now i wont be back 'til later on if i do come back at all

but you know me
and i miss you now

In a strange game i saw myself as you knew me
when the change came and you had a chance to see
thru me
tho the other side is just the same
you can tell my dream is real
because i love you
can you see me now

Tho we rush ahead to save our time
we are only what we feel
and i love you

can you feel it now
can you feel it now
can you feel it now
can you feel it now
can you feel it now
can you...
