When the dream came
I held my breath
with my eyes closed
I went insane,
Like a smoke ring day
When the wind blows
Now I won't be back
till later on
If I do come back at all
But you know me,
and I miss you now.

In a strange game
I saw myself as you knew me
When the change came,

And you had a
Chance to see through me
Though the other side
is just the same
You can tell
my dream is real
Because I love you,
can you see me now.

Though we rush ahead
to save our time
We are only what we feel
And I love you,
can you feel it now.
