Round and round and round we spin,  
To weave a wall to hem us in,  
It won't be long, it won't be long  
How slow and slow and slow it goes,  
To mend the tear that always shows.  
It won't be long, it won't be long.

It's hard enough losin' the paper illusion you've hidden  
inside,  
Without the confusion of findin' you're usin' the crutch  
of the lie  
To shelter your pride when you cry.

Round and round and round we spin,  
To weave a wall to hem us in,  
It won't be long, it won't be long  
How slow and slow and slow it goes,  
To mend the tear that always shows.  
It won't be long, it won't be long.

Now you're movin' too slow and wherever you go  
there's another beside.  
It's so hard to say no to yourself and it shows that  
you're losing inside,  
When you step on your pride and you cry.

Round and round and round we spin,  
To weave a wall to hem us in,  
It won't be long, it won't be long  
How slow and slow and slow it goes,  
To mend the tear that always shows.  
It won't be long, it won't be long.

How the hours will bend through the time that you  
spend till you turn to your eyes,  
And you see your best friend looking over the end and  
you turn to see why,  
And he looks in your eyes and he cries.

Round and round and round we spin,  
To weave a wall to hem us in,  
It won't be long, it won't be long

How slow and slow and slow it goes,  
To mend the tear that always shows.  
It won't be long, it won't be long.
