I'm a little bit here
I'm a little bit there
I'm a little bit scattered everywhere

I'm a little bit up
I'm a little bit down
I hear your name all over this town

When the music calls, I'll be there
No more sadness, no more cares
Let's think about living
Let's think about life

I'm a little bit high
I'm a little bit low
Hear your name wherever I go

I'm a little bit wrong
I'm a little bit right
Hear your name all through the night

When the music calls, I'll be there
No more sadness, no more cares
Let's think about living
Let's think about life

Like a comet
Painted on the sky
Like an old soul
Over darkness you'll fly

I'm a little bit high
I'm a little bit low
I'm a little bit scattered everywhere

When the music calls, I'll be there
No more sadness
No more cares
