Fire chief, car thief, misled skinhead,
Tell me where it's at?
Is it cool to bring it up again?
Will I blow my act?

Misplaced tinseltown, weekend pretend,
Am I on your track?
I would love to live close to you,
Could I bring my cat?

Cowgirl, sailor,
Do you know who you are?
Cowgirl, sailor,
Do you know who you are?
Do you know who you are?

Overfed premed, outfront gaspump,

Will I fix my car?
Pinch yourself when I smile at you,
Baby, I'm a star!

Turned on, tuned in, cop out, sell out,
Do you know who you are?
I took the time to try to fit you in,
Was I off too far?

Cowgirl, sailor,
Do you know who you are?
Cowgirl, sailor,
Do you know who you are?
Do you know who you are?
