She wasn't perfect  
She had some trips of her own  
He wasn't worried  
At least he wasn't alone  
Too late  
He sleeps with angels  
Too soon  
He's always on someone's mind  
He sleeps with angels  
Too late  
He sleeps with angels  
Too soon

She was a teen queen  
She saw the dark side of life

She made things happen  
But when he did it that night  
She ran up phone bills  
She moved around  
from town to town  
Too late  
He sleeps with angels  
Too soon  
He's always on someone's mind  
He sleeps with angels  
He sleeps with angels
