Ain't it hard  
when you wake up  
in the morning  
And you find out  
that those other days  
are gone?  
All you have  
is memories of happiness  
Lingerin' on.

You might wonder  
who can I turn to  
On this cold  
and chilly night of gloom  
The answer to that question  
Is nowhere in this room.

All your dreams  
and your lovers  
won't protect you,  
They're only passing  
through you in the end.

They'll leave  
you stripped of all  
that they can get to,  
And wait for you  
to come back again.

You might wonder  
who I can turn to  
On this cold  
and chilly night of gloom  
The answer to that question  
Is nowhere in this room.

Yet still a light is shining  
From that lamp on down the hall.  
Maybe the star of Bethlehem  
Wasn't a star at all.
