I went into town to see you
yesterday
but you were not home.
So I talked to some old friends
for a while
before I wandered off alone.

It's so hard for me now
But I'll make it somehow,
Though I know I'll never be the same.
Won't you ever change your ways,
It's so hard to make love pay
When you're on the losing end,
And I feel that way again.

Well, I miss you more than ever,
since you've gone
I can hardly maintain.
Things are different round here
every night,
my tears fall down like rain.

It's so hard for me now
But I'll make it somehow,
Though I know I'll never be the same.
Won't you ever change your ways,
It's so hard to make love pay
When you're on the losing end,
And I feel that way again.
