Tonight's the night, tonight's the night  
Tonight's the night, tonight's the night

Bruce Berry was a workin' man  
He used to load that Econoline Van  
A sparkle was in his eyes  
But his life was in his hand

Well, late at night when the people were gone  
He used to pick up my guitar  
And sing a song in a shaky voice  
That was real as the day is long

Tonight's the night, yes it is, tonight's the night  
Tonight's the night, yes it is, tonight's the night

Early in the mornin' at the break of day  
He used to sleep until the afternoon  
If you never heard him sing  
I guess you won't too soon

Cause people let me tell you  
It sent a chill up and down my spine  
When I picked up the telephone  
And heard that he died out on the mainline

Tonight's the night, tonight's the night  
Tonight's the night, tonight's the night

Tonight's the night, tonight's the night  
Tonight's the night, tonight's the night

Tonight's the night, tonight's the night  
Tonight's the night, tonight's the night

Bruce Berry was a workin' man  
He used to load that Econoline Van  
But early in the mornin', about the break of day  
He used to sleep until the afternoon

Tonight's the night, tonight's the night  
Tonight's the night, tonight's the night

Tonight's the night, tonight's the night  
Tonight's the night, tonight's the night

Tonight's the night, tonight's the night  
Tonight's the night, tonight's the night
