I'm a vampire, babe,
suckin' blood
from the earth
I'm a vampire, baby,
suckin' blood
from the earth.
Well, I'm a vampire, babe,
sell you
twenty barrels worth.

I'm a black bat, babe,
bangin' on
your window pane
I'm a black bat, baby,
bangin' on
your window pane.
Well, I'm a black bat, babe,
I need my high octane.

Good times are comin',

I hear it everywhere I go
Good times are comin',
I hear it everywhere I go.
Good times are comin',
but they sure comin' slow.

I'm a vampire, babe,
suckin' blood
from the earth
I'm a vampire, baby,
suckin' blood
from the earth.
Well, I'm a vampire, babe,
sell you
twenty barrels worth.

Good times are comin'.
