"Walk With Me"

I feel your love
I feel your strong love

I feel the patience
Of unconditional love

I feel the strength
I feel your faith in me

I'll never let you down no matter what you do
If you just walk with me and let me walk with you
I'm on this journey I don't wanna walk alone
Walk with me
Walk with me

Walk with me
Walk with me

Ahh-ahh-ahh-ahhh-ahh-ahhh

Walk with me
Shine me a light
Walk with me
Walk with me

I lost some people I was travelling with
I missed a soul and the old friendship
