It's time, I'm walkin' to New Orleans
I'm walkin' to New Orleans
I'm gonna need two pair of shoes
When I get through walkin' to you
When I get back to New Orleans

I've got my suitcase in my hand
Now, ain't that a shame?
I'm leavin' here, today
Yes, I'm goin' back home to stay
Yes, I'm walkin' to New Orleans

You used to be my honey
Till I lost all my money
No use for me to cry
I'll see you bye and bye
When I get back to New Orleans

And I got no time for talkin'
I've got to keep on walkin'
New Orleans is my home
That's the reason why I'm goin'
Yes, I'm walkin' to New Orleans

I'm walkin' to New Orleans
I'm walkin' to New Orleans
I'm walkin' to New Orleans
I'm walkin' to New Orleans
I'm walkin' to New Orleans
I'm walkin' to New Orleans

Are you goin' my way?
I'm going back home [Incomprehensible]

I'm walkin' to New Orleans
I'm walkin' to New Orleans
