Boy and girl fall in love  
Dreamin' under stars above  
Meanwhile push comes to shove  
Around the world

Leaders fall, leaders rise  
Terror wears a thin disguise  
Not much room for compromise  
Around the world, around the world, oh

Surfers from seven seas  
Sharing with the submarines  
Experts count war machines  
Around the world

People sweat in planted fields  
Students study what is real  
Someone builds a laser shield  
Around the world, around the world

Fashion change, style change  
Fashion change, style change, hey ooh  
Fashion change, style change, hey

Fashion change, style change  
Fashion change, style change  
Fashion change

Hey, what's that you got on? You're sure looking good  
tonight  
Where'd you pick that up anyway? Wow, you're looking  
beautiful  
Hey, you are somethin' else tonight  
So skin tight, ooh, yeah, come on, let's go out, come  
on, oh

Why do we have to hate  
Why do we incinerate  
Why don't we illuminate  
Around the world

Why don't we illuminate

Around the world  
Why don't we illuminate  
Around the world
