The evening fog was rolling in  
It was getting hard to see  
The old white car edged down the road  
Headed for the double e

She was bringin' down dinner for grandpa  
It was crawlin' with vitamins  
And tender as a mother's love  
When she saw the tv vans

The side door was open  
There were three tvs  
Grandpa's face was on every one  
He was talkin' to a woman with a microphone  
She was sexy and her hair was all done

Sun green came out and met grandma then  
"My, you're such a beautiful girl  
Mother earth needs more like you  
You should go out now and see the world

What's grandpa doin' on tv?  
I got his dinner in the car  
All these vans have blocked our road  
But we can carry it, it's not too far"
