If you see Liberty tell her I will  
Buy her windows on the hill  
Laud her flowers on the sill  
Till they grow higher and higher

If Liberty was a little girl  
Watching all the flags unfurl  
Standing at the big parade  
How would she like us now  
We balance the power, from hour to hour, giants guns  
raised

It's such a long walk home  
It's such a long walk home  
It's such a long walk home

From Vietnam to old Beirut  
If we are searching for the truth  
Why do we feel that double-edged blade  
Cutting through our hand

America, America, where have we gone

It's such a long walk home  
It's such a long walk home  
It's such a long walk home

We balance the power, from hour to hour, giant guns  
raised

It's such a long walk home  
It's such a long walk home  
It's such a long walk home
