Built a house of cards  
Built a house of rain  
Built a house of love  
I built with [Incomprehensible] pain

Built a road to reason  
Built a road to fate  
Built a road to the promised land  
Right up to the gate

Loose change in my pocket  
Future in my hand  
Too many distractions  
For me to understand

Loose change

Too many distractions  
Got to get back home  
Get into something solid  
Get out of the zone

Some roads bring renewal  
Some roads ride and wait  
Some roads promise everything  
And steal your fuel away

Loose change in my pocket  
Future in my hand  
Too many distractions  
For me to understand

Loose change  
Loose change

Loose change in my pocket  
Future in my hand  
Too many distractions  
For me to understand

Loose change  
Loose change

Some roads I been flyin'  
Some roads I crashed  
Some roads I been sleepin' on  
Some roads I got back

Some roads I been runnin'  
Some roads I been stopped  
Some roads I been walkin' down  
Some roads I was lost
