A funny thing happened yesterday
I felt the pressure in a brand new way
It kept hitting me from all directions

I got this feeling I was cracking up
My knees were shaking and I couldn't close my eyes
I fought to gain control and make corrections

A funny thing happened yesterday
I felt the pressure in a TV way

Don't feel, don't feel
Feel pressure from me
Don't feel, don't feel
No pressure from me
Don't feel, don't feel
Feel pressure from me

You watch the box and the video jocks
If you could talk that could even be you up there
That's why you need max head room

Too much pressure for peace on earth
Too much tryin' to get your money's worth
Too much dying

The Eldorado, the Mercedes Benz
The job security that never ends

Don't feel, don't feel
Feel pressure from me
Don't feel, don't feel
No pressure from me

Don't feel, don't feel
Feel pressure from me
Don't feel, don't feel
No pressure from me

I feel the pressure building every night
One of these days I'm gonna go out like a light, oh,
baby

I feel the pressure building every night
One of these days I'm gonna go out like a light
