It's too dark to put the keys in my ignition
And the mornin' sun is yet to climb my hood ornament
But before too long, I might see those flashing red
lights
Look out, mama 'cause I'm comin' home tonight

Think I'll roll another number for the road
I feel able to get under any load
Though my feet aren't on the ground
I been standin' on the sound
Of these open-hearted people goin' down

I'm not goin' back to Woodstock for a while
Though I long to see that lonesome hippie girl smile
I'm a million miles away from that helicopter day
No, I don't believe, I'll be goin' back that way

Think I'll roll another number for the road
I feel able to get under any load
Though my feet aren't on the ground
I been standin' on the sound
Of these open-hearted people goin' down

Think I'll roll another number for the road
I feel able to get under any load
Though my feet aren't on the ground
I been standin' on the sound
Of these open-hearted people goin' down

Think I'll roll another number for the road
