You told me to go
heard i lied many times before
you told me to let go
words i hear but trying to ignore

its not supposed to be this way
lets try it all get another day
my heart skips a beat when i hear you say
its not supposed to be this way

the angel has falling
im trying to pick the pieces of the floor
the shards they cut my hands
but i just cant feel the pain anymore

its not supposed to be this way
lets try it all get another day
my heart skips a beat when i hear you say
its not supposed to be this way

its not supposed to be this way
lets try it all get another day
my heart skips a beat when i hear you say
its not supposed to be this way

its not supposed to be this way
lets try it all get another day
my heart skips a beat when i hear you say
its not supposed to be this way

oh oh oh oh oh
