I try so hard
to make life worth living
but you didn't care
I should have known it
right from the beginning
that you didn't care

some say I was mad
to think that you loved me
but you didn't care
I could not be the man
you wanted me to be
and you didn't care

you didn't care
you didn't care
you didn't care for

you didn't care
you didn't care
you didn't care
you didn't care
you didn't care for
you didn't care for
you didn't care for

somehow I seem to
find joy in the sorrow
that you didn't care
I hope that I won't
feel this way tomorrow
and you didn't care

you didn't care
you didn't care
you didn't care for

they say that absence
makes the heart grow fonder
my heart will stop it
I have to wait longer

and you didn't care for me.
