Destiny - has put me right in front of you
Since you're close to me
I know the deepest parts of you
Laughter's in my days
And loneliness is far away

I thank God over and over and over again
I'm feeling this feeling for you every moment

I'LL BE WITH YOU - I'LL PRAY FOR YOU
THIS TIME I'LL STAY - TO LEAD YOUR WAY

I'LL BE YOUR FRIEND - A HELPING HAND
RIGHT TO THE END - YOU KNOW
I'LL BE WITH YOU

Destiny - has put me right in front of you
Since you're close to me
I know the deepest parts of you
Laughter's in my days
And loneliness is far away

I thank God over and over and over again
I'm feeling this feeling for you every moment

I'LL BE YOUR FIELD - WHERE YOU CAN BUILD
YOUR SELF ESTEEM - A BETTER DREAM

I'LL BE YOUR FRIEND - A HELPING HAND
RIGHT TO THE END - YOU KNOW
I'LL BE WITH YOU
