IÂ'll be your game to understand IÂ'll be your game with love again IÂ'll be your game to dare you Â'cause now everything I know is lÂ'll be your game Woke up this morning and lÂ've seen my life is in chaos I think that youÂ're the reason why IÂ'm gonna make it the blind on my eyes has gone away youÂ've made the rules but now lÂ'm tired You play with feelings all the time itÂ's just your fear to show whatÂ's deep inside so IÂ'll be your game.....Take it or leave it but if you long to stay with me youÂ've got to change your way to be Stop playing with feelings all the time begin to show what youÂ've got deep inside
