Now I know there's something here in my heart to
define
Falling from up high I've touched the bottom
I've been strong but I was wrong and now I've got to
find
if there is an end to all this sorrow
(I felt lost then He told me to go)
GET UP, GET UP BABY, DON'T YOU
GIVE IT UP - GIVE IT UP BABY, GET UP
GET UP BABY AND IT'S ALRIGHT.....
Now I know I have to go I finally realized
He has dried my tears and healed my sorrow
If there's Jesus all my fears are truly left behind
He has traced the path I want to reach out
(I felt lost then He told me to go)
GET UP, GET UP BABY, DON'T YOU
GIVE IT UP - GIVE IT UP BABY, GET UP
GET UP BABY AND IT'S ALRIGHT.....

Now I know there's something here in my heart to
