Another day - another love
Another victim on the floor
Another tear rolling down - down on my feelings
Another pill - another fan
They're all living through me - their dream of living
I just wanna be free - to be
IT'S GONNA BE
HOT STUFF - A POP STAR
IT'S GONNA BE - REALLY REALLY HOT STUFF
WHAT I FEEL - WHAT I GIVE - WHAT I LOVE
I DON'T KNOW
Another face - another show
Another make up - to be done
Another man falling down - down on my knees
Another pill - another "friend"
Now I wanna be freed from what I'm living
I just wanna be free to be
IT'S GONNA BE
HOT STUFF - A POP STAR
IT'S GONNA BE - REALLY REALLY HOT STUFF
WHAT I FEEL - WHAT I GIVE - WHAT I LOVE
I DON'T KNOW
