I listen to the radio,  
there's a thing I'd really like to know  
if the new song ,baby, that you wrote for me  
the dj' ll play it on the Mtv

I'm turning on the radio ,  
there's a place you'd really like to go  
but the door, sweet baby, of my heart, you see  
it can't be opened with a simple key

KNOCK KNOCK KNOCK  
ON THE DOOR OF MY SOUL ...

I listen to the radio,  
you remind me when I used to love,  
when the door was open I could feel the heat  
now you can't do that very easily

KNOCK KNOCK KNOCK  
ON THE DOOR OF MY SOUL ...

Je sais b?b? que ce nÂ'est pas facile  
Je tâ'aime bien, mais je suis si triste  
Si tu es doux, sincere, fid?le et romantique  
Gu?ris mon coeur et la flamme se rallumera pour toi
