I dream of places full of fun and of love
where sands are white and skies are blue
where all I need is and all I want is
the sun above, a song and you
A place where you can do whatever you want
so make a wish, that will come true
I wanna be there, I wanna see that
I can be, I can have anything I want singing I CAN BE
WHATEVER I NEED
I CAN BE WHATEVER I WANT
I CAN BE AT THE TOP OF MY LIFE
I CAN BE IN HEAVEN ABOVE
IF YOU SING THIS SONG WITH ME
YOU 'LL BE HAPPY AND YOU 'LL BE FREE
I CAN BE WHATEVER I NEED
COME ON SING WITH ME
SINGIN' NANANA
There is a place where people never get old
the sun it shines within their souls
It's all I wanted and all I needed
I wanna be there, I wanna see that (cause)
I can be, I can have anything I want singing
I CAN BE WHATEVER I NEED.....
I can be I can have anything I want just singin'
I can be I can have anything I want

Singin' Nanana..... Singin' Nanana
Singin' Nanana..... Singin' Nanana

If you're sad, if you're down, if you feel a little lonely
you can be, you can have, all the things you've ever
wanted
.....just singing

I can be I can have anything I want SING!!!
