Days pass slow and lazy without you
I feel you will never get out of my heart
I know there's no sun in a summer without you
Without love

I feel so incredibly empty
Come here and repaint all my days from the start
I know there's no sun in a summer without you
Without love

LIVIN' WITHOUT YOUR LOVE
ANOTHER SUMMER WITHOUT YOU
LIVIN' WITHOUT YOUR LOVE
ANOTHER SUMMER WITHOUT YOU
WITHOUT LOVE

Friends say I shouldn't be so unhappy
I'm free to have fun now and to fool around
I know there's no sun in a summer without you
Without love

I feel so incredibly empty
Come here and repaint all my days from the start
I know there's no sun in a summer without you
Without love

I know things Â– can never be the same
ThereÂ’s no turning back Â– even if we wanted to
IÂ’d do anything to go Â– back in time
And relive those happy momentsÂ…
I can close my eyes Â– and itÂ’s as if we were there
