Iâ€™ll be your game to understand  
Iâ€™ll be your game with love again  
Iâ€™ll be your game to dare you  
â€™cause now everything I know is  
Iâ€™ll be your game  
Woke up this morning  
and Iâ€™ve seen my life is in chaos  
I think that youâ€™re the reason why  
Iâ€™m gonna make it  
the blind on my eyes has gone away  
youâ€™ve made the rules but now Iâ€™m tired  
You play with feelings all the time  
itâ€™s just your fear to show whatâ€™s deep inside  
so Iâ€™ll be your game.....Take it or leave it  
but if you long to stay with me  
youâ€™ve got to change your way to be  
Stop playing with feelings all the time  
begin to show what youâ€™ve got deep inside
