Come inside my friend and then please shut the door
Âbout the world outside I just can't take no more
I'm tired of all this vanity, this unjust hypocrisy
only here with you I find a sense of Home
You must be a man of another kind
you can understand me, you can ease my mind
but I'm not in love with you
there is nothing I can do
you might think that I must be a fool
YOU GOTTA HAVE THIS FEELING.....
Maybe it's just a matter of chemistry
to gain the same amount of reciprocity
I just love you as a friend
and I hope you'll understand
you have always meant so much to me

You could simply be my Perfect Man it's true
so tell me can I learn to fall in love with you?
in the past I had to learn
all that glitters is not gold
you're the last one that I wanna hurt
YOU GOTTA HAVE THIS FEELING
