(He's) back in town, with the biggest show around,
Strike up the band, it's time for Astral Man.
To know where he'll be landing from his tightrope in the
sky,
To know if he will make it, close your eyes, watch and
learn,
(Astral Man), (turning) in relation to the ground,
(learning)
Please remember what you see (returning) to get back
down to
Earth.
Astral Man, our race for his ands,
Thrill's own band, his antics know no bounds.
To know what he'll be doing on his tightrope in the sky,
He thrills the little children, close your eyes, watch and
Learn...
Astral Man, acknowledges the plans,
People clap but they appreciate his ands.
He bows toward the people and leaves the ring behind,
Hoping he has given money's worth, down to Earth.
