Uh uh uh

I just gotta bring it to they attention dirty, that's all..

[Nelly]

You better watch who you talkin bout; runnin your
mouth, like you know me

You gon' f*** around and check why the "Show Me" get
called "Show Me"

Why one-on-one you can't hold me if your last name
was Hanes

Only way you wear me out is stitch my name on your
pen

No resident of France; but you swear I'm from Paris
106 karats - told 'em, "Naw its per rich"

Trying to compurr this - my chain to yo' chain

I'm like Sprint or Motorola - no service, out of your
range

You out of your brains, thinkin I'ma shout out your
name

You gotta come up with better ways than that to catch
your fame

All that pressure you applyin it's time to ease off

Before I hit you from the blindside takin your sleeves
off

As much as we's loss, still hard to please boss

Don't be lyin b****in and cryin - suck it up as a loss

Cause your, a** is wack, your whole label is wack

And matter fact, eh eh-eh eh a-hear that

[Chorus: Nelly]

I.. am.. number one - no matter if you like it
ready take it down in writin

I.. am.. number one

Hey hey hey hey hey hey - now let me ask you man

What does it take to be number one?

2 is not a winner and 3 nobody remembers (hey)

What does it take to be number one?

Hey hey hey hey..

Farah Franklin (once part of Destiny's Child)

Do you like it when I shake it for ya, daddy? Move it all

around?

Let you get a peep before it touches the ground?

[Nelly]

He** yeah ma im in a girl that's willin to learn
Willin to get in the driver's seat and willin to turn
And not concerned about that he say, she say, did he
say
what I think he said? Squash that, he probably got that
off eBay
Or some, Internet access some, website chat line
Mad cause I got mine, don't wind up on the flat line
Ohh if my uncle could see me know
If he could see how many rappers wanna be me now
Straight emulatin my style right to the "down down"
Can't leave out the score now better wait 'til they calm
down
I got little shorties, comin askin, "Yo where the party?"
Oh lordy - will I continue to act naughty?
Mixing Cris' and Bacardi, got me thinkin fo' sho'
I'm not a man of many words but there's one thing I
know - pimp

[Chorus]

I.. am.. number one - no matter if you like it
ready take this down in writin
Hey I.. am.. number one
Hey hey hey hey hey hey - now tell me now girlie
What does it take to be number one?
Two is not a winner and three nobody remembers
Tell me - what does it take to be number one?
Hey hey hey hey..

[Nelly]

hey yo I'm tired of people judgin what's real Hip-Hop
Half the time you be them niggaz whos f***in album
flop
YOU KNOW! Boat done sank and it ain't left the dock
C'MON! Mad cause I'm hot; HE JUST - mad cause he not
You ain't gotta gimme my props, just gimme the yachts
Gimme my rocks, and keep my fans comin in flocks
'Til you top the Superbowl, keep your mouth on lock
Shhhhh.. I'm awake, ha ha ha!
I'm cocky on the mic but I'm humble in real life
Taking nothin for granted blessin errything on my life
Trying to see a new light at the top of the roof
Baby name not Sigel but I speak The Truth
I heat the booth - Nelly actin so uncouth
Top down shirt off in the coupe, spreadin the loot
With my family and friends, and my closest of kin
And I'll do it again if it means I'ma win

[Chorus]

Dirty I.. am.. number one - no matter if you like it
ready take this down in writin Hey I.. am.. number one
Hey hey hey hey hey hey hey hey
Dirty what does it take to be number one?
2 is not a winner and 3 nobody remembers
HEY! - what does it take to be number one?
Hey hey hey hey hey hey hey hey

Heyyyy I.. am.. number one
I.. am.. number one
What does it take to be number one?
2 is not a winner and 3 nobody remembers
What does it take to be number one?
Hey hey hey hey hey hey

I.. am.. number one
Uhh uhh uh, uh uh uhh-uh uh
Listen I I, I I I-I number one..
Yeah, yeah, yeah

cause 2 is not a winner and 3 nobody remembers
.. number one
Cause 2 is not a winner and 3 nobody remembers
