Ahhh..

I've been checking you  
and I like the way you walk  
your sexy b-ball style  
the confidence you flaunt  
so let me take a minute to introduce myself  
cause you don't need to know  
anybody else

Here's a number you can call any time you wanna talk  
that's exactly where I'll be when you wanna get at me  
and if you wonder what you do that's got me into you  
it's your blue jeans..the way you rock in them blue jeans  
baby

No one else makes me feel the way you do inside  
sensation is so real hit me day or night  
so keep this nice and safe  
somewhere near your heart  
wouldn't wanna lose this love before we start

you got everything that i want, that i want  
you got everything that i need, that i need

Here's a number you can call any time you wanna talk  
that's exactly where I'll be when you wanna get at me  
and if you wonder what you do that's got me into you  
it's your blue jeans..the way you rock in them blue jeans  
baby (2x)

(call me) any time you feel the need  
(you can call me) cause i like what you do to me  
won't u (call me) o baby you're like a dream  
(call me)

Here's a number you can call any time you wanna talk  
that's exactly where I'll be when you wanna get at me  
and if you wonder what you do that's got me into you  
it's your blue jeans..the way you rock in them blue jeans  
baby (2x)

u can call  
wanna talk  
where i'll be  
get at me  
what you do  
its your blue jeans  
the way you walk in them blue jeans

Here's a number you can call any time you wanna talk  
that's exactly where I'll be when you wanna get at me  
and if you wonder what you do thats got me into you  
its your blue jeans..the way you rock in them blue jeans  
baby
