(gyeah gyeah gyeah)

I don't know if I've ever felt like this before
But I'm sure that the way I feel
I don't want it to go
Cuz I've cried my share of tears and I've sang my share
of blues
But to keep you over here, I'll do what I got to do
-
So baby call on me- whether day or night
I'll never leave

You don't have to be alone- I'll come anywhere you
want
Baby just pick up the phone and call on me
See you ain't know
Baby-I wanna be your homie, lover, friend
See there it go
See there it go Mama

See I, Never met a girl that could break. me. down.
Its like I get caught in the middle
I get caught up a little anytime she's around
I be posted, waitin on standby
Lookin' to catch a hint
I'm doin whatever, whenever
Never forget I said I'd be here when you want
To get what you need, if you wanna recieve
Oh, Please believe you could

Call on me- whether day or night
I'll never leave
You don't have to be alone- I'll come anywhere you
want
Baby just pick up the phone and call on me
See you ain't know
Baby-I wanna be your homie, lover, friend
See there it go
See there it go Mama

Call On Me- When need someone who cares

Say the words and I'll be here
I can meet you anywhere
Call on Me- Anytime that you please
Babe whatever you want, babe whatever you need
Cuz you're the one I love baby, Justâ€¦!

Call on me- whether day or night
I'll never leave
You don't have to be alone- I'll come anywhere you
want
Baby just pick up the phone and call on me
See you ain't know
I'm gonna be your homie, lover, friend
See there it go
See there it go, Mama.

It don't matter where you go
Cuz I'll come anywhere you want me to
It don't matter near or far
It's like.. Anything you say- I'll do.
And it don't matter where you go
I'll come anywhere you want me to
And it don't matter, near or far
It's like.. Anything you say- I'll do.
(ooo,ooo)
