You can say I'm plain Jane, but it's not the same
I ain't in to big names, but I like nice things
I watch boxing matches and football games
I wouldn't mind bein' an actress, but I love to sing
I like going out, taking walks and stuff
I don't run with many girls cause they talk too much
I enjoy quiet nights at home curl up I'm next to ya
Though I ain't a virgin that don't mean I'm having sex
with ya

Anywhere I go Im spotted
anything I want I got it
5'5" with brown eyes
Smile like the sunrise

Anywhere I go Im spotted
anything I want I got it
5'5" with brown eyes
Smile like the sunrise

Baby look me in the eyes
And tell me that
I'm the kinda girl you like
I'm feeling you
Cause sweetie you're my kinda guy
Thinking about you and I
I wanna run with this
All night long
And if you want me we can keep this going
Let me tell you I'm the type that's strong
And I don't trust a lot of men I'm independent I'm ain't
like some other woman

Anywhere I go Im spotted
anything I want I got it
5'5" with brown eyes
Smile like the sunrise

Anywhere I go Im spotted
anything I want I got it
5'5" with brown eyes
Smile like the sunrise

Ven Aqi Ven Aqi momma
Baby girl don't you know you're a star
We could take a little trip to mi casa
Spend the night popping cris in the hot tub
See I ain't never seen no girl like you
Every sexy little thing you do
5'5' brown eyes with your thick thighs
Every time I see your smile its got me hypnotized

[Singing in Spanish]
Mira [so can i get your number or suttin]
Mi amor mira me bien
Te encantara
Si quisieras no tendra [i dano what you said but i like it]
No te quieres soy notada
Y lo primedo yo consigo
Y el moreno ojos negros
y sonrisa sole abran

Anywhere I go Im spotted
anything I want I got it
5'5 with brown eyes
Smile like the sunrise [4x]
5'5 with brown eyes
smile like the sunrise
[2x]
