(chamillionaire talking)

hey! houston texas (houston texas). chamillionaire the mix tape messiah.

i feel like niggas need to show some respect off in here mayne.

tell em the name, tell em the name. chamillitary mayne.

(chamillionaire chorus)

i hear you talkin that talk (that talk), i heard you was talkin bout me (bout me)

soon as i ask who you talkin to, you replyin with naw its not me (not me)

no bite for all of that barkin (that bark), how mad that yall done got me (got me)

they aint keepin it real like they talkin, pussy niggas is all that i see

(chamillionaire verse one)

you could be hungry, ugly, chubby, homeless, crippled and blind

and still be better off then niggas talkin lip to a nine

i hit that track with david banner talk that lip to me now

pussy niggas like to hide, drop a bomb and surprise

tired of lettin niggas ride, gave em to many times

im sick of tryin, sick em ??? flippin and flyin

now they got me yellin out what? like a skit from jon

chamillitary aint gon ride, yall niggas quit ya lyin

cause you know that you falsifyin, niggas know they

cant stop the giants

a shoulder to stop the cryin, move over this spot is

mine

takeover its about the time, time to put all these boys in

line

you walkin into my shoes, but you know youll get

dropped to tie em

(chamillionaire chorus)

i hear you talkin that talk (that talk), i heard you was

talkin bout me (bout me)

soon as i ask who you talkin to, you replyin with naw its

not me (not me)

no bite for all of that barkin (that bark), how mad that  
yall done got me (got me)  
they aint keepin it real like they talkin, pussy niggas is  
all that i see

(david banner verse)

if it jumps off it jumps off, let the front of the pump talk  
sumthin thatll knock yo fuckin lump off  
think im bammer think im country, well i am bitch  
and i gout bullets i can share, and i aint selfish  
baby boy i got just what you need, them slugs thatll fly  
through trees  
and knock off kness, knock off ears  
knock off peers, got beats thatll knock by see us  
roll up, get ya throat cut  
catch a buck fifth, watch yo chest lift  
dope rhymes, cause the small eyes take a smith  
bitch im tryin to make yo nose bleed  
like russians rushin the shit outta apollo creed, ima ride

(chamillionaire chorus)

i hear you talkin that talk (that talk), i heard you was  
talkin bout me (bout me)  
soon as i ask who you talkin to, you replyin with naw its  
not me (not me)  
no bite for all of that barkin (that bark), how mad that  
yall done got me (got me)  
they aint keepin it real like they talkin, pussy niggas is  
all that i see

(chamillionaire verse two)

betta respect the messiah, hey where the hell is your  
manners man  
knock you off of yo henges, like you got hit with a battle  
ram  
youd be stupid for challengin, knock you out of yo  
skeleton  
you be down on the floor like a lil flip or a banner fan  
i hustle man, i hustle a grand like dude at atlantic  
then what i do with it, flip it kinda like that do that he  
mad at  
the talkin stops when a rocket is sendin you out the  
planet  
youll be just timber-n-a-lake, like that dude pullin janet  
that could get you shot or damaged, i bet that you cry  
about it  
that could get you cut beat the hell up, then goodbye  
you vanish  
put your feet on the concrete, i hope that you got em  
planted  
now stand back so i can (blap), and make you lose all

your balance koopa

(chamillionaire chorus)

i hear you talkin that talk (that talk), i heard you was  
talkin bout me (bout me)  
soon as i ask who you talkin to, you replyin with naw its  
not me (not me)  
no bite for all of that barkin (that bark), how mad that  
yall done got me (got me)  
they aint keepin it real like they talkin, pussy niggas is  
all that i see

(chamillionaire talkin)

there you have it baby. im hearin yall but yall full of  
(that talk).  
if you got sumthin to say (bout me) dont say it behind  
my back come say it to my face.  
if you feel you got sumthin to say (bout me). hey  
banner (that bark)  
lets ride out mayne (bout me). show some respect.  
tell em the name, tell em the name chamillitary mayne
