Yea... are you ready ?...
I got the love...in the music
I got soul...in the music
I got the love ...in the music
I got soul ...in the music
I got the love ...in the music
I got soul ...in the music
I got the love ...in the music
Getting deep, in the mix...
...all night
I got House Music fever...!!
I got the love...in the music
I got peace... in the music
I got love ..in the music
Getting deep ..in the mix
I got the love...in the music
I got the sound...in the music
I got the love...in the music
Getting deep ...in the mix...
Coast to coast...!!
Yeah...
Everybody dance...
It's a family thing
You 're all welcome here...
My family
the love
the energy
...in the music ...in the music
...in the music ...in the music
...in the music ...in the music
...in the music ...in the music
...in the music ...in the music
house music... in the mix
walk...&walk;... walk...& walk...
walk...&walk;... walk...& walk...
getting deep, in the mix...
