Kelly Rowland]

I.. love you, and I.. need you

Nelly I.. love you, I do.. neeeeed you

[Chorus: Kelly Rowland]

No matter what I do, all I think about is you

Even when I'm with my boo, you know I'm crazy over  
you

No matter what I do, all I think about is you

Even when I'm with my boo, y'know I'm crazy over you

[Nelly]

Check it, check it, check it, uhh

I met this chick and she just moved right up the block  
from me

And uhh, she got the hots for me the finest thing my  
eyes could see

But oh no, oh no, she gotta a man

and a son, doh'ohhh, but that's okay

Cause I, wait for my cue and just listen, play my  
position

Like a shortstop, pick up erylthing mommy hittin

And in no time.. (no time) I..

I plan to make this one mi-i-ne.. and that's for sure

Cause I, I never been the type to, break up a happy  
home

But uh, there's somethin bout baby girl I just can't leave  
alone

So tell me ma what's it gonna be? She said

(You don't know what you mean to me)

[Chorus]

[Nelly]

Check it, check it, check it, uhh

I see a lot and you look and I never say a word

I know how niggaz start actin trippin out here about  
they girls

And there's no way-ayy, Nelly gon' fight over  
no day-hey-ame as you can see

But I, I like your steez, your style, your whole demeez

The way you come through and holla and swoop me in  
his 2-seater  
Now that's gangstah-ahhh..  
And I got special ways to thank yah-ahhh.. don't you  
forget  
But uh, it ain't that easy for you to pack and leave him  
But uh, you and dirty got ties for different reasons  
I respect that and right before I turn to leave, she said

[Chorus]

[Nelly] Sing it for me K
