MISSY:]

REMIX! with Nelly Furtado . . .

Come in and I landed [repeated in the background]

[MISSY:]

NELLY FURTADO!

Come in and I landed [repeated in the background]

[NELLY:]

She's a freak and I'm a cheif head banger with the top
down low on the flow

cause your so fresh (fresh!) like b-boys with vests like
runners cause ?

hehehehe

I run like the breeze to catch this life but sometimes get
a need

There's truth, I go, there's a rhyme, I will tell it A story,
on the planet

Missy come in and I landed! Well where did she come
from?

This international goddess sun so get your hands up
like this hun

until the party's just begun! So come over to my house
and that's where

this song's from I left my life on west coast, I'm a
portugese

diva! And Missy's the woman who always be cooking,
says somethin' for Neltado

who come dip her vibin from DC to DJ and all around
the world come giddy up

giddy up back back up to my girl!

[MISSY:]

UN get ur freak on [repeated]

Get [scatted] Get ur freak on!

[MISSY:]

Who's that bitch? Me me! Nelly Nelly Nelly Furtado all in
your stereo

I'm pumpin louder please don't tell me you don't like
the flow . . .

You got the means to put down so lemme step it -- YO!

[MISSY:]

It's a original flow, people better they know, shake you
up like they all

croak

cause me and Nelly say SO! I'm doin how we do --

some strange loose thing you

crew

Because my fire springs your head round right MISSY!

[MISSY:]

Get ur freak on! [repeated]

Get [scatted] get ur freak on! Get [scatted] ahhhh!

[MISSY:]

They want us,

Everybody gettin freak-deaky want us

grab your partners tightly by the ass and want us,

move your body swiftly to the beat and want us!

They want us, they want us!

Everybody crank in the club - they want us

Everybody hot and on the block - they want us!

Everybody gettin freak-deaky want us, they want us
