Girl drop that, uh, girl drop that, uh, girl drop that, uh
Girl drop that, uh, girl drop that, uh, girl drop that, uh
Girl drop that, uh, girl drop that, uh, girl drop that, uh

Loving you â€¦ love that you breathe, way that move
You overdue for a raise
Get it, I get it, I ain't taking no breaks
Hustle I do it, girl I've been up for some days
Jug like a phone, smoke like a kitchen
Money off top, I do the chief of commission
If I break the room, it don't matter
Before the night over, I'm elevating the lotto
You see them red bottoms up, you know how to wear it
Yeah you know how to get it, let me see if you know
how to â€¦ it
See that money's a magnet so come on get on it
Only way you can get it, is to see where it's going,
going

What more can I say?
It's over now, I'm taking off, up, up and away
We own the night, ain't coming off
We up on the couch and chilling off
So hey, so heyâ€¦ up on the couch and chilling off
So hey, so heyâ€¦ up on the couch and chilling off

Do it, I do it, get it, I want it
I see how she moving, I see it back in the bone
And ain't a body official, do what you doing
Yeah your home girl is wild, I see you get the influence
Got me high and so loaded, you taking the blast
Say you coming with me, I never thought that you'd ask
I'm taking you where it's cloudy, I know your body
Take you straight to the top, cause up you girl ain't
crowdy
I say go drop that boom, drop it for real
Drop it however you feel
I say girl drop that uh, got it allâ€¦
Drop it all off tonight, I ain't with all them vultures

Girl drop that, uh, girl drop that, uh, girl drop that, uh
What more can I say?
It's over now, I'm taking off, up, up and away
We own the night, ain't coming off
We up on the couch and chilling off
So hey, so hey! up on the couch and chilling off
So hey, so hey! up on the couch and chilling off
Girl drop that, uh, girl drop that, uh, girl drop that, uh.
