[Intro: Nelly x Future]

Future Hendrix (heyâ€¦)

Freebandzâ€¦

What's popping?

(I can tell the way you move that body, now)

Nelly, you sing itâ€¦

All my niggas say "oohâ€¦"

(A whole lot of that, they know not a bitch that can copy that)

All my niggas say "oohâ€¦"

(Take it all off and do that, now take it all off)

Take it all offâ€¦ take it all offâ€¦ (yeah)

[Verse 1: Nelly]

Now tell me where you wanna be now

I know you wanna be here

But I don't see it in your body language, baby

I just wanna be clear

See, I've been spending time on that other shit

I ain't tryna get lost

But the way you're moving that on me, girl

Tell me, what does that cost?

I love that real shit that feel good

Good head that feel good

I'mma be all off in that womb

And I'm hopin' to God that you feel good

I'mma go fast or slow, on the bed or floor

Mama, I just wanna take you (awayâ€¦)

Long hair, you don't care

Lovin' the fact that you all in my (spaceâ€¦)

The way you lookin' at me, that's gon' get you that

Oohâ€¦ and I put everything on it

Keep talkin' that shit that'll get you that

[Hook 1: Nelly x Future]

Girl, I swear the way you move your body

Put that on my mama, you gon' get that

And you know I've seen a whole lot of shit

Ain't no bitch out here can copy that (a whole lot of that)

(They know no bitch can copy that - go and take it all off)

And you done fucked a few of my niggas
But I find myself still wanting that
Heyâ€¦ something's wrong with my mind
I apologize for my thoughtsâ€¦
I've been thinkin' 'bout thatâ€¦
Let me make you say "oohâ€¦"
(A whole lot of that, they know not a bitch that can copy
that)
(Take it all off and do that, you gotta take it all off)
Take it all offâ€¦ take it all offâ€¦

[Verse 2: Nelly]

(A whole lot of that, they know not a bitch that can copy
that)
(Take it all off and do that, you gotta take it all off)
Take it all offâ€¦ take it all offâ€¦
I apologize for my thoughts, don't worry 'bout my ex
She was giving me fights while you was givin' me sex
I'll throw you up on that sink, run that fountain over
them cheeks
Bend you over that tub, got you hot here wildin' out on
me
You act like a lady, you fuck like a freak
Forever my lady, you'll be a freak for me
I'm pulling all on your hair while you got your toes
curling
Your eyes rolling back in your headâ€¦
That good sex got you so wet you got an ocean all in
my bed
What you lookin' at? That's gon' get you that
Oohâ€¦ and I'll put everything on it
That skirt right there gon' get you that

[Hook 2: Nelly x Future]

Girl, I swear the way you move your body
Put that on my mama, you gon' get that
And you know I've seen a whole lot of shit
Ain't no bitch out here can copy that (a whole lot of that)
(They know no bitch can copy that - go and take it all
off)
And you done fucked a few of my niggas
But I find myself still wanting that
Heyâ€¦ something's wrong with my mind
I apologize for my thoughtsâ€¦
I've been thinkin' 'bout thatâ€¦
Let me make you say "oohâ€¦"

[Bridge: Future]
