5 in the morning, shawty in my dub
Banging on my shit, yelling she want more
Who am I to tell her no if she want it
Shawty see the pole, I say go and she on it
No hesitationâ€¦she coming on time like a reservation
My demonstration, power of persuasion, she be her
education
Know how to get relations
I slip slide, right up in theâ€¦don't stop, tell shawty you
represent her
I go both sides, the back and the front and the
No lie, you gonn swear I mad it up
I play long, I play again, I play it off, I play to win
Her legs long, shawty let me in

I get it in, when I step by, put out the benz and
Get the Bentley out
I'm who your friends, is talking bout
If you ain't with it, then girl you missing out
You missing out, hey, you missing out
If you ain't with it, lil mama, you missing out
You missing out, hey, you missing out
If you ain't with it Shawty, you missing out
Hangover, yeah â€¦ who is that, it's the truth
And I ain't talking poll truths
You niggas gas, talking trash, let me hurt
Like will smith and Obama, I'm all ears
Iced in, let's black platinum yellow card
I gave her the benz and the Bentley to my yellow broad
Same Louis make em see like they never sawâ€¦show
off
I got that â€¦ like the shell Bronx, you might catch me,
you might not
Lil mama hard, men you should see her body parts
If the pussy wet, I'ma dive in like a lifeguard
Aimer, â€¦walk with..what that mean, what that mean, a
69'er
Slow grinder, that shit's just a reminder
Roaming over shawty like I say I'm a provider

I get it in, when I step by, put out the benz and

Get the Bentley out
I'm who your friends, is talking bout
If you ain't with it, then girl you missing out
You missing out, hey, you missing out
If you ain't with it, lil mama, you missing out
You missing out, hey, you missing out
If you ain't with it Shawty, you missing out
Hangover, whoa.
