C'mon, uhh, uhh  
I guess he's back 'urr derry, S-T-L derby  
I'm like Magic to Kareem, mayne you tell me I ain't  
Worthy  
I ain't speakin 'bout a jersey, I'm speakin 'bout income  
Did you hear that Elizabeth? Here come the big one  
I put mo' money in the community than you got in yo'  
budget  
I wipe my ass with yo' advance to the toilet then flush it  
My last stance be a stance of a General Custard  
I hot dog cause I can, I got the cheese and mustard  
I got the stats of a hall of famer - in just two records  
That's why I'm back up at the Superbowl - with Julius  
Peppers  
I got that cain't stop, won't stop, in my veins  
That's why they cain't stop, won't stop, screamin the  
name  
NELLY! NELLY! Go tell a friend to tell a friend  
I'ma keep the same grin whether I, lose or win  
Up, or down ten, I'ma fight to the end  
Breathing hardLet's go

Ain't no way they can stop me now Nelly  
Cause I'm on my way, I can feel my ring comin  
It's the blood of a champion, pumpin  
Deep inside my veins, too much pride to be runnin  
I'ma get what I can and more, even if  
My blood, my sweat, and my tears don't mean nothin  
It's the heart of a champion (it's the heart of me)  
(It's the heart of a ) in me

I'm the first pick, the first round, signin bonus profound  
Playin for his hometown, reppin for the home ground  
And gettin buffer like Michael Riggs, tell 'em again  
I gets buffer like Michael Riggs, heard what I said?  
The MV-P of the game, intensity still the same  
I'm shootin out from my reign, with Peyton Manning  
type aim  
Can't stop me from scorin so they results are just  
hackin  
So there's, three of us now - me, A.I. and Shaq'n  
From the look to the as I say

Hover man with more heart than Hallmark on  
Valentine's Day  
I'm the one that you've been Raven about, like Ray  
Lewis  
I think it hard to go and change your route  
Cause you don't know if I'm blitzin or if I'm sittin and  
readin  
Waitin for you to go and trip, drop back and throw up a  
brick, man

AIN'T NO WAY THEY CAN - BLOW, AIN'T NO WAY THEY  
CAN - BLOW  
AIN'T NO WAY THEY CAN - BLOW, AIN'T NO WAY THEY  
CAN - BLOW

It's like a big time decision made on how I can twurk it  
If hard work pays off then easy work is worthless  
My work habit ain't no habit man, I do it on purpose  
I push myself to the limit so my talent'll surface  
So now it's, curtains and drapes, on anybody who hates  
Dislikin what I'm recitin, bitin what I've been writin  
I've been dogfightin, scratchin and clawin on every  
height  
Tryin to make you remember me like you +Remember  
the Titans+  
Cause I'm a warrior, my daddy was a soldier  
A Vietnam vet, lil' derry I thought I told ya  
I'm supposed ta, whip up your town in Testarossas  
Heatin like Folgers mayne, I'm young black and rich  
As good as it gets, and givin your point guard fits  
He think he done seen pressure mayne, but he ain't  
seen shhhh

AIN'T NO WAY THEY CAN - BLOW, AIN'T NO WAY THEY  
CAN - BLOW  
AIN'T NO WAY THEY CAN - BLOW, AIN'T NO WAY THEY  
CAN - BLOW

Ain't no way they can stop me now Nelly  
Cause I'm on my way, I can feel my ring comin  
It's the blood of a champion, pumpin  
Deep inside my veins, too much pride to be runnin  
I'ma get what I can and more, even if  
My blood, my sweat, and my tears don't mean nothin  
It's the heart of a champion (it's the heart of me)  
(It's the heart of a ) in me

Ain't no way they can stop me now Nelly  
Cause I'm on my way, I can feel my ring comin  
It's the blood of a champion, pumpin  
Deep inside my veins, too much pride to be runnin

I'ma get what I can and more, even if  
My blood, my sweat, and my tears don't mean nothin  
It's the heart of a champion (it's the heart of me)  
(It's the heart of a ) in me
