[Verse 1:]

It's the N-E-Double L-Y
I said it so I keep it realz up in my hood, on the dirty like
Bledsoe
Ain't got no twist in my hair, but I'm still dread-full
and I gots plenty of bread so I go to bed full now
Now I'm, in it to win it, to win it I'm all in
I might call you my cuz youngblood, but we ain't kin naw
Ya think of jumpin man, you best think again
Lil dirty, I'm the type of man that might could go for
revenge
Have some not so nice friends, kick the door off the
hinge
Take the door of ya Benz, p-p-pop 4 of your friends
Man Please, This here ain't cynical (Uh uh)
Mental, subliminal, I'm physical, financial, and mental to
be a general, Hey!
Lil mama come, she want a soldier
Not the type be in the tank, but in that Rover
Man Please, I'm in the zone like AIDS full blown
I'm killin it like a blind man readin, I'm feelin it like

he really think he gutter,when he know he soft as butter
He ain't never been a fighter,you can go and ask his
mother

I'm a lover and a fighter,producer and a writer
Give your girl a quick fix,and give ya man a nice shiner
(Ya'll don't really want it) And I can tell just by lookin
That you the type to run and go and tell just by lookin at
ya

You want a mission for recognition by dissin
Didn't have no problem till the record started rippin
(Ya'll don't really want it) So let me tell ya the deal
I'm oh so serious,I'm dirty,I'm no longer for real
LIKE A HOP SKIP AND A JUMP,a glock grip on the pump

From leavin you in da trunk,somewhere prepared to
dump

(Ya'll don't really want it) So quit actin like you deaf
I'M LOOKIN TO MY RIGHT,tryna see who's left
So uh,you better watch it fore I stick to the plan
And be the next Artest to run up in your stands like
(BOOM!)
